

ASK ENGINEER GABY TO COME TO HAMILTON

Wisdom of Davis-Aitchison
Stand in Council is
Proven.

CARE OF TREES

Cost \$13,000 a Year for
Three Years to Com-
plete Job.

The shortage of Hydro power and how it is affecting the local lighting conditions, was the chief item of business taken up by the Board of Control at a session yesterday afternoon. The meeting showed that the course taken by Controller Davis at the last meeting of the City Council, supported by Controller Aitchison, in having the third reading of the Hydro Bill by-law held up in order to get some information from the Provincial Hydro Board, had already had the desired effect, for Mr. Gaby, Chief Hydro Engineer, had asked the mayor to go to Toronto to confer with him on the subject.

It was decided that Mr. Gaby should be asked to come here and address the Council on the matter of Hydro power. Mayor Booker suggested that Controller Aitchison and Davis be sent to Toronto to get information from Mr. Gaby.

Controller O'Hair and Davis wanted Mr. Gaby to come here to explain matters to the whole Council.

Controller Aitchison said that there would only be enough power, even with the Chippewa cut supplying power, to put light and power conditions on a normal basis.

Controller Davis stated that conditions were never so bad as they were at the present time. It had been understood that the work for more power would be rushed through when the war was over, but no speeding up had been noticed, and conditions since the war had been far worse than during the rush in the munition plants. The motion to ask Mr. Gaby to come carried unanimously.

All Wright and Hugh Hayes, of the Parks Board, waited on the Board of Control to take up the matter of getting more money to be used for preserving the city trees. Mr. Wright explained that had the time of the present force of men who looked after the trees, was lost by taking their machinery from one end of the city to another. Mr. Wright suggested that an inspector be brought here to oversee all work in the city and that he be empowered to see that trees in private property were properly kept. It was further suggested that systematic work be done on every tree in the city.

Controller Aitchison said that "car" would have to be taken that the rate was not too high. Next year more roads would be completed, and the treasury because of the increased assessment.

It was finally decided that Mr. Wright should make out a complete report and send his requests in writing to the Board.

An estimate submitted by Mr. Wright showed that the city would cost about \$13,000 a year for three years to do all the city, trimming, removing dead trees and planting new ones.

A report was requested from the Housing Commission in regard to the matter of the house contracts taken up by H. Bryson and left uncompleted by him.

Controller Aitchison said that he had been given to understand that Bryson took building contracts for 20 houses and only completed two of them and he was living in one of the two completed ones. He asked for more detailed information. Controller Davis seconded the motion to ask for a detailed report, to contain a statement as to what condition the houses were left in and what it will cost to complete them.

After much discussion it was decided that the city would take out a hold-up insurance policy from the Canadian Insurance Trust Co. The insurance covers robbery from a city hall employee who is carrying city funds, but the city would not receive money from the insurance company if an employee was robbed when no guard was with him. The policy will cost \$600 for three years.

Controller Aitchison moved the adoption of a request from the Town Planning Board asking that the city Engineer submit plans and estimates to the Board of Control for the widening of Burlington street from James street easterly to the City Limits. The proposed widening street would be 66 feet.

The Board asked for a report on the cost of all insurance carried by the city and what the city had so far received from insurance companies. Controller O'Hair advised civic insurance and the information will be sent to the city in a few days.

N.F.L.D. HARD HIT.
Rails Snow-Blocked and Provisions Low.

Halifax, N. S., Jan. 29.—Bearing marks of a terrific and prolonged battle with the elements, Captain Putnam, of the schooner Husar, a. s. s. Captain Shaw, of the schooner Cecil L. Beck, have reached their homes here from North Bay, Newfoundland, where their vessels were frozen in.

Both mariners report appalling conditions along the line of the frozen Gulf of St. Lawrence, which they were required to traverse for a distance of 174 miles in order to reach a steamer at Cape St. Basile. They state that the railway is completely blocked with ice and snow and that there is no prospect of a resumption of service until the middle of March. Provisions are running low, and there is an extreme shortage of fuel. The men are so fatigued that they did not know what was to become of the people.

It is a poor rule that won't work here. Money doesn't make the man, nevertheless, the man has to make money.

LUCKY LONDONER

Left \$40,000, Gets Many
Marriage Offers.

London, Ont., Jan. 29.—Walter H. Arthur, a Londoner, returned to his city to-day with a \$40,000 inheritance and claiming that during the past few days he had received fifty letters from young women offering marriage. Mr. Arthur, while visiting in Philadelphia six years ago, was struck by a motor car driven by a wealthy woman. He suffered somewhat serious injuries, which she much regretted. She offered compensation, but he did not accept it and a warm friendship developed. Recently her death occurred and she left Mr. Arthur certain valuable Philadelphia properties, a number of good securities and a pack of cards in Texas. He leaves for Philadelphia on March 1, where he will reside in the former residence of his benefactress. Since the first intimation of his good fortune, he claims he has been bombarded by letters written under Leap Year license.

Effort made to achieve. There is a soft berth for a man who can get some other fellow out of it. No man is absolutely a shun unless he disputes the good opinion he has of himself.

PINT FOR TEN DAYS.

Limit in U. S. for Medicinal
Liquor.

Washington, Jan. 28.—The Bureau of Internal Revenue has arranged a system of permits, whereby liquor may be obtained for medicinal purposes. Under a strict registration plan the Government will know the location of every gallon of liquor in the country except where it is stored in private cellars. Producers in liquor are to be severely dealt with.

druggists selling it must be provided with permits. No one patient may get more than a pint in any period of ten days. Doctors may obtain permits entitling them to procure not more than six quarts of liquor per year for use in emergency cases.

Permits will also be issued to hospitals and factories and other places maintaining first aid stations.

Relics of a King-maker.

Guy, the famous Earl of Warwick, known in history as the "King-maker," was a man of great stature. How far myth will improve upon facts is illustrated in his case by certain relics shown to visitors at Warwick Castle. Principal among them are his porridge pot, his most fork and his armor.

The porridge pot holds 120 gallons, the most fork is six feet long, and the armor is ample enough in size to fit a horse.

As a matter of fact, it is a horse's armor. The fork is not a fork at all, but a medieval military weapon, and the porridge pot is a garrison canteen of the sixteenth century. In short, the so-called relics are fakes. But the average visitor at the castle, who is amazed, accepts them as full faith as veritable.

COTTON WEAVERS WANT DOUBLE WAGE

London, Jan. 29.—In anticipation of the termination of the present wage agreement at the end of March, the cotton weavers are preparing a demand for an increase in wages, say a 25 per cent. The Central News from Manchester, the case of weavers, says the demand will amount to 25 per cent.

In the game of life everyone doesn't always come to the main who remain on a one-card draw.

WORK OF THE PUBLIC LIBRARY FOR THE YEAR

Annual Reports Submitted at the Meeting Yesterday.

THE FINANCES

New Member Welcomed—Gift for the Retiring Member.

In the 31st yearly report of the Hamilton Public Library, last night, there was a very interesting feature to be noted. The chief item of interest in the trend of the minds of the average reader after knowledge. Apparently literature is not immune from public interest. This is shown by the demand for literature in the reference room and by the demands of the borrowers.

During the year there was an eager demand for historical statistics and the powers involved in the war. It is shown in the report, the demand is for the origin of Bolshevism, the industrial situation, and the horizon of the Peace Conference. Thoughtful minds are looking for the meaning of the peace of the world, how they have arrived at their conclusions and what the ultimate aim and possible result may be.

With the return of the soldier to the civilian life, there has been a steady increase in the demand for books of knowledge, who thirst for an interpretation of occupational therapy. During the year the demand for books of the soldier-civilian and the retraining of active duty men, must have been a very important feature in the public library, which has tended to increase the demand for books of knowledge, who thirst for an interpretation of occupational therapy.

Touching reference is made in the report of the activities of the department to children who are book-hungry. The great work of the book-hungry is to provide for the needs of the children, who are book-hungry. The great work of the book-hungry is to provide for the needs of the children, who are book-hungry.

The Librarian's report follows: "Gentlemen, I have the honor to present, herewith the thirty-first annual report of the Hamilton Public Library. This report shows a gratifying increase in the use made of the library by the citizens for the various purposes. The year 1919 shows the best record for the use of books in the history of the library. The number of volumes added to the libraries during the year was 4,200, being 3,225 to the main library and 975 to the branch. The number of books read was 140,000 and from the branch libraries 10,000. The total number of books read was 150,000. The number of books read was 140,000 and from the branch libraries 10,000. The total number of books read was 150,000.

The registration of new borrowers at the end of the year was 1,624 for adults and 1,004 juveniles, making a total of 2,628. The registration of new borrowers at the end of the year was 1,624 for adults and 1,004 juveniles, making a total of 2,628.

The general work of the library during the year was 1,624 for adults and 1,004 juveniles, making a total of 2,628. The general work of the library during the year was 1,624 for adults and 1,004 juveniles, making a total of 2,628.

INSURANCE COMPANIES ON SOLID BASIS

Hon. Raney Appoints V. Evans Grey Sup't of Insurance.

FRANK SANDERSON

Late of Canada Life, Consulting Actuary to Department.

Toronto, Jan. 29.—V. Evans Gray, M. A., LL.B., now of the Department of Taxation at Ottawa, has been appointed Superintendent of Insurance and Loan Companies for Ontario, and Frank Sanderson, formerly joint general manager and chief actuary of the Canada Life Assurance Company, has been appointed as consulting actuary to the department. The appointments were made last night by Hon. W. E. Roney, and the appointments will take effect from the first of February.

The placing of Mr. Gray at the head of the department, which has been the first of the former Superintendent, Mr. Roney, resigned, shortly before the resignation of Mr. Sanderson to the staff as consulting actuary, is the first step in the reorganization of the department. LIBERALISM LIBEL IN THE PAST AND ITS FUTURE

D. W. Markham Spoke to the Women's Liberal Association.

MUSIC AND DRAMA

FINED ADDRESS

Touched on Old Toryism and the New Farmers' Party.

"Liberalism, Past, Present and Future" was the subject of an address given last night at an open meeting of the Hamilton Women's Liberal Association, which from start to finish held absorbing interest to all those assembled in the hall of the Y.M.C.A. The speaker, one of the best versed in the country on such a subject, was Mr. D. W. Markham, of Toronto.

Mr. Markham, who was introduced by Mrs. J. H. Macdonald, touched on Old Toryism and the New Farmers' Party. He spoke of the Liberal Party as a party which has been in the forefront of the movement for the betterment of the people, and he spoke of the Farmers' Party as a party which has been in the forefront of the movement for the betterment of the people.

These HATS Come As Early Heralds of the Spring

EXCLUSIVE STYLES—ONE OF A KIND

—Among the advance Spring styles that are daily arriving in the Millinery Shop, none offer more interesting variety than a delightful group of hats at \$9.50. For instance, one may choose—

A distinctive chaparral of navy taffeta with a slanting crown and drooping brim—featuring a circle of bright colored flowers to give the color touch, or—

A youthful Chin Chin with an elongated tassel on the right side—the brim of navy taffeta in cross tucked effect—the tam crown of sand silk cloth, or—

An alluring Draped Turban of Hindu character—developed of sand congo cloth, a new grass fabric—the whole swathed in brown maline—

and many other styles, including variations of the push-back front hats, pretty toques and some unusual shapes with narrow or wider brims. The new cellophane, veils and other accessories are being used in some of the smartest models, and there is a great deal of taffeta and satin utilized. Inviting values at the price—\$9.50.

OTHER HATS \$8.50 TO \$35.00

TEST LEGALITY

ONE BIG UNION

Reason for Crown Cause in 'Peg Strike Case'

Declared to be an Unlawful Conspiracy.

Winipeg, Man., Jan. 29.—That the One Big Union was in itself an unlawful conspiracy, was the finding of the court in the trial of the case of the One Big Union, which was held in the court of the province of Manitoba.

The court, in its judgment, found that the One Big Union was an unlawful conspiracy, and that the members of the union were guilty of an unlawful conspiracy.

The court, in its judgment, found that the One Big Union was an unlawful conspiracy, and that the members of the union were guilty of an unlawful conspiracy.

The court, in its judgment, found that the One Big Union was an unlawful conspiracy, and that the members of the union were guilty of an unlawful conspiracy.

Funeral, on Saturday, at 9 a.m., to St. Paul's Cemetery, Oakville (Ontario).

PARLON—in this city, on Wednesday, Jan. 23, 1931, Elizabeth Bennett, 205 Jarvis Street, in her 73rd year.

Funeral from her late residence, 205 Jarvis Street, on Saturday, January 24, 1931, at 10 a.m. to St. Mary's Cathedral, thence to Holy Sepulchre Cemetery, (Detroit).

WALSH—in this city, on Thursday, January 23, 1931, Thomas Walsh, aged 67 years.

Funeral will leave the residence of his niece, Mrs. Edgar Dwyer, at 8:30 a.m. to St. Joseph's Church, thence to Holy Sepulchre Cemetery.

TEA TABLE GOSSIP

—Reginald Courlay's story, "A Rapid Love Affair," was well-received in the Canadian Court of Jan. 17th.

—The anniversary of St. Paul's Presbyterian Sabbath school will be held to-night.

—Chief ever-pointed pencils, look good, work good, and are well worth the right price. Sold for seventy-five cents, at Croke & Son, 15 West King Street.

THE WEATHER

FAIR AND QUIET GOLD.
(Canadian Press Wire.)

Toronto, Jan. 20.—A disturbance which developed yesterday over northern Ontario has moved quickly eastward to the Gulf of St. Lawrence, causing strong winds and light snow in Quebec and the Maritime Provinces. Another area of high pressure has come in over Manitoba from the northward, and the outlook is for colder weather in Ontario. Temperatures are slightly below zero in the west.

FORECASTS—Lower Lakes and Georgian Bay—Fresh northerly winds; fair and becoming cold.

Saturday—Fair and calm, with light snow in the morning. The following is the temperature registered at Park & Park's drug store, the thermometer being correct, being the same as used by the Government at Ottawa:

	1917	1918	1919	1920

A QUICK WEDDING

But It Ended in a Bunch of Trouble.

Toronto, Jan. 20.—For wedding bells and merriment, there was a lot of "woe" wrote Robert W. Service. "Aye," exclaimed Dr. J. C. Greig, a stranger within the gates of Toronto the other day.

Greig, now a charming young man, was married to a girl named "Aye" at first sight. Getting into a taxi, he was driven to a place where a marriage certificate is issued, and he was married to "Aye" in a few minutes. The ceremony was so quick that the bride and groom were not even given time to say "I do."

When the wedding was over, the bride and groom were driven to a hotel. The bride, who was named "Aye," was a very beautiful girl. The groom, who was named "Aye," was a very handsome young man. They were both very happy.

It is also noted by the police that the bride and groom were both very happy.
